# TECHNOTES

Date: June 15, 2001

Vol.1/TD-1/06/01

### Preface

Tulip Group of companies believes in offering our valued customers the technical support and scientific information to keep updated with the latest international standards and trends in diagnostic testing.

Laboratory results play a pivotal role in providing the clinician the scientific data in diagnosing, monitoring and prophylaxis of deserving patients. Keeping in mind our valuable customers, Tulip Group will offer periodically a series of Tech Notes presented with a short, summarized overview pertaining to a specific technique/product/disease related information.

We hope that the Tech Notes will assist and benefit the laboratorians in enhancing the standards of reporting results thereby helping the clinician for better diagnosis and patient management.

Yours faithfully,
